

Archery Road.

Archery Road, named after the local archery club, is situated at the southern central area of the Barossa Valley. Highlighting the naturally beautiful landscape, Archery Road wines pay homage to the vineyards that sprawl across the ridges and valleys.

BULLSEYE

Shiraz

Barossa Valley

2018

Tasting Note:

The Bullseye Shiraz is handcrafted from the finest grapes each year. Full-bodied and rich, the wine displays notes of aromatic black fruit concentrates and Middle Eastern spice, with integrated oak and fine tannins supporting the palate for a complex finish.

Analysis:

14.5% alc/vol

Vinification:

Sourced from 50-year-old old vines, hand-picked at optimum maturity and hand-sorted in the vineyard to select only the best grapes with intense flavour concentration. A mild spring with sufficient rainfall and a summer marked by warm days and cool nights extended the ripening period and resulted in wines with excellent flavour concentration and balance. The 2018 vintage was a standout year for the Barossa with elegant and well-structured wines.

Winemaking:

The grapes are fermented on skins for 12 days, and the wine is then matured in a combination of 70% French and 30% American oak hogsheads for 24 months. Low yields provide very consistent quality from year to year, whilst a gentle fermentation rate and restrained oak handling ensures the palate has great depth and length with a fine tannin structure – a classic Barossa Shiraz.
